PRINCIPAL REPORT.

What a strange term it's been with so many changes and adjustments forced on us by the Coronavirus situation. We are proud of the way our school community has responded to the restrictions and changes with parents and carers respecting the need for social distancing by staying off Site and out of classrooms and staff and students being careful about hand washing. Touch wood! With continuing good management our school, town and state will remain Covid free.

To share or not to share!

Unfortunately one restriction is on the food students might like to bring to school for an end of term class party. At the moment the Covid restrictions say that students can bring their own food to eat at a class picnic but it is not to be shared. Thanks for your help.

Reports coming Thursday

Student reports will be coming home on Thursday. When you've read the report and if you have some wonderings about what's in it for your child contact your class teacher to have a talk. Having not had parent interviews this year because of Covid, there may be need for a discussion about your child's progress.

More important information

Covid rules in term 3.

Moving into next term the current Covid restrictions in our school will continue as they are: Parents and carers are asked to not be in school grounds after 9 and before 3. Only staff will be allowed in classes at all times. NDIS providers are able to access students after signing in each time in the school office

Wish you were here!

Within the school we've begun enjoying our fortnightly video assemblies which are held on line. While classes stay in their own rooms, different classes present their learning, videoed musical performances are played, raffles are drawn and awards given. We are conscious that parents and carers would appreciate being able to be part of these events and apologise that in the short term, with Covid restrictions and issues about social media you'll be aware of, we can't yet put the assembly online for families to view. We hope as the year unfolds, to find a way to share these fortnightly highlights.

First day back next term:

Monday the 20th of July is a training day for all staff so is not a school day for students. School starts on Tuesday 21st of July. Staff will continue their updating about the teaching of Reading, learning about PE activities they can do with classes and revising the recess and lunchtimes protocols.

Enjoy the holidays

Thanks to families for your support during this strange term! Our students are finishing the term in a good situation. Enjoy the holidays with your children and send them back refreshed next term.

Notes From North

School Times

Please be reminded that school is unsupervised before 8:30am. We ask that students do not arrive before this time.

Head Lice

Please remember to check your child's hair for headlice and treat them before sending them to school.

UNIFORM

Just a reminder of our school uniform policy. All students need to be in school uniform. Lost property is located in the bins near the library. Please name all items.

School Zones

Reminder It's 25km/h when children are present

Reception & Year One Fundamental Movement Skills

During Term One and Two our Receptions and Year One's have been working really hard during PE to develop and further their understanding of Fundamental Movement Skills. We are very proud of their development and look forward to them translating these skills into team based games.

Well Done Team!!
