**How is North School going in educating and looking after your children?  
And your teachers would like to talk with you about your child's learning!**

Dear parent/carer,

**Parent Survey**

The Department for Education coordinates an annual survey to better understand the things we're doing well, where we can improve, and what's important to you as a parent.

The information we collect from this survey helps us make our school even better for our students.

In the week beginning Monday 1 August you will receive an email or SMS from the Parent Survey Team with a unique link to participate in the survey.

I highly encourage you to complete the survey, which takes less than 10 minutes.

Your feedback will be used locally for our school and will also improve education in South Australia in all schools.

Your answers will not identify you or your child. Only a summary of feedback will be provided to our school.

If you did not receive an email or SMS with your unique survey link, contact [education.ParentSurvey@sa.gov.au](mailto:education.ParentSurvey@sa.gov.au) and include our school's name in your email.

For more information visit the [Department for Education website](#).

**Parent Teacher Interviews**

This week teachers and students are preparing to bring home an example of their work they are proud of and a reflection your child has done on their learning this year. This is so that next week you can meet with your teacher in a phone call to talk about how your child is doing at school.

All you need to do is ring the school on 8532 3055 and request a phone interview with your children's teachers. Kelly or Chris in the office will give you a time.

The teacher will ring you at that time and you can have a 15 minute conversation about your child's learning. If you need to talk longer you can make another time during the interview.

Please support your child and celebrate their good learning by ringing the school office and making a time with their teacher for next week beginning the 8<sup>th</sup> of August.

Kind regards,

James Parkin  
Principal,  
Murray Bridge North School
