PRINCIPAL REPORT.

Dear North families,

What a mess!

Here's a photo of the demolition underway in the old building behind the canteen. It is going to be a wonderful safe and challenging learning space for our Reception and year 1s when we get it back next year, so we do have to put up with some mess along the way!

More important information

Parent and carer Interviews

Thank you to all the families who have booked in for a parent teacher interview with your children's class teacher. It is a good opportunity to identify a child's successes and next challenges at school and to be reassured that teachers are working hard for our students to be successful in their learning. If you haven't booked a time with your teacher and would still like to please contact your teacher via Seesaw to make a time.

School Colour Run

Only a few weeks until our school fund raising Colour Run. It will be an exciting day as students run around the obstacle course being showered with coloured powder. It's also a school fund raiser to help us buy some more playground equipment for our upper primary playground, so even if every child in the school was able to be sponsored \$10 or so we would still make at least \$4,500. Please see the notes, look at the website and get some sponsors to make the event successful.

New Music Rooms

After three months of work local builder Darcy Chandler and his team have finished refurbishing our old Special Options rooms into new Music rooms. They are bright and welcoming spaces for our students to be learning music in with teachers Denise Excell and Peter Dickinson.

Year 6 planting

This Friday our year 6s will be planting some local Australian native plants from State Flora in Murray Bridge as a legacy to leave behind for younger years to enjoy as they grow up through the school. Our grounds man Andrew Bolt has done an excellent job preparing the area to be planted.

Notes From North
