PRINCIPAL REPORT.

Dear North parents,

We've had the Murray Bridge pageant and the end of the school year is in sight. What an amazing year it has been!

If you can remember back to the start we had a substantial Covid interruption and despite that our classes and our students got down to learning quickly. It is a credit to our students and teachers that they have been working hard on some new ways of learning and at this end of the year we are proud of their progress in the national testing our students have completed. This year's Reception classes settled in wonderfully and are showing they are very ready for year 1.

2022 High Achiever School –Digital Skills

We are proud to receive the Digital Skills High Achiever Award from the Commissioner for Children and Young People. Congratulations must go to long term North teacher Greg Hockham who guided the students through the various challenges for this award.

More important information

Swimming

Thank goodness the weather has improved so that swimming lessons are going ahead and students are looking forward to them. It has been a successful week for the year 3s and 4s and next week the Reception, year 1s and Year 2s have their lessons. With the river so high there may not be much swimming in it this summer but it important that our students are confident and prepared with their swimming wherever they encounter it.

Due to the lack of instructors at the pool the year 5s miss out this year but we will work towards double aquatics or swimming next year.

Classes and teachers 2023

We are still finalising classes and teachers for next year and in the final week of the term students will be informed and will have two lessons with their next teacher in their new classroom.

Student Reports

Student reports will come home on Wednesday the 14th December in the last week of the term.

Teacher departures

Many of our parents and siblings will have been taught by Denise Excell in her fifty years of teaching in schools around our district. We are honoured to be farewelling her as she retires at the end of this year. If you have fond memories of learning or teaching with Denise please let the school office know so they can be included in our recognition of her many years of work for public schools.

SAPSASA CRICKET *In SAPSASA cricket we played on turf. We played 5 games and we won the first 4 games. We played Whyalla, Murray Mallee, Port Pirie and Para. Then we played the grand final against Onkaparinga and we lost by 34 runs. I got 3 wickets and I was the only person in the team who didn't get out. We had 4 captains. I was one of the captains; the other captains were Henry, Riley and Hamish. The people that played cricket were me, Jye, Brode, Bailey, Luke, Masin, Xavier, Henry, Riley and Hamish. Xavier and I opened the batting every game. Henry, Hamish, Riley and I opened the bowling for all the games. We ended up coming 2nd all round and we got a silver medal. I was the only person from Murray Bridge North School to do SAPSASA Cricket.*
